Love Will Keep Us Alive

Regine Velasquez

I was standing All alone against the world outside You were searching For a place to hide

Lost and lonely Now you've given me the will to survive When we're hungry Love will keep us alive

Don't you worry Sometimes you've just gotta let it ride The world is changing Right before your eyes

Now I've found you There's no more emptiness inside When we're hungry Love will keep us alive

I would die for you Climb the highest mountain Baby, there's nothing I wouldn't do

Now I've found you There's no more emptiness inside When we're hungry Love will keep us alive

I would die for you Climb the highest mountain Baby, there's nothing I wouldn't do

I was standing All alone against the world outside You were searching For a place to hide

Lost and lonely Now you've given me the will to survive When we're hungry Love will keep us alive

When we're hungry Love will keep us alive When we're hungry Love will keep us alive
