

# Music and Me

Regine Velasquez

Aah ha ha ha

Aah ha ha ha ha ha

We've been  
Together  
For such long time now  
Music, music and me...

Don't care  
Whether  
Our songs rhyme now  
Music, music and me..

All I know  
Wherever I go  
We're as close  
As two friends can be

Yeah...

There have been others  
But never two lovers  
Like music, music and me...

Grab the song and come along  
You can sing your melody  
In your mind  
You will find  
A world of sweet harmony

Yeah..yeah ..yeah..yeah.yeah

Birds of a feather  
We'll fly together

Now music, music and me ooh  
Music, music.. and me

Ooh ooh ooh ooh

Ooh ooh ooh ooh ooh
