

## Never Be the Same

Regine Velasquez

It was good for me  
It was good for you  
Now nothing either of us can say or do  
Can change the way you feel tonight  
Sometimes love just slips out of sight  
Just one thing before you go  
Just one thing that you've got to know  
No one will ever touch me that way  
The way that you did that very first day  
And I'll  
Never be the same without you here  
I'll live alone  
Hide myself behind my tears  
And I'll  
Never be the same without your love  
I'll live alone  
Try so hard to rise above  
The years go by  
There's always someone new  
To try and help me forget about you  
Time and again it does me no good  
Love never feels the way that it should  
I loved you then I guess I'll love you forever  
And even though I know we could never stay together  
I think about how it could have been  
If we could just start all over again  
It was good for me  
It was good for you  
Now nothing either of us can say or do  
Can change the way you feel today  
Sometimes love just slips away
