

Perfect

Regine Velasquez

You are perfect
You are perfect

Changing hues, the change of seasons
Will leave you no clues
As desperation spreads within a broken soul
Life leaves you feeling dead
But just like Mathis singing
On a low-down Sunday afternoon;
The blues split apart all my senses depart
As I see you come into view

Baby, as I look into your eyes
Ooh, you're perfect
Judging from the way you make me high
Ooh, it's worth it
Perfect it's everything you are to me
Perfect and everything I am to you

You are perfect
You are perfect

Crossroads and bridges
We come through a lot of trying stages
Our love sets us free from the realms
Of our own self-made cages

Baby, as I look into your eyes
Ooh, you're perfect
Judging from the way you make me high
Ooh, it's worth it
Perfect it's everything you are to me
Perfect and everything I am to you

Rain falling down
Ooh, it seems like it could last for years
Drowning me down
Drowning in a sea of tears
And little did I know
That someone set my soul free!

You are perfect
You are perfect

Baby, as I look into your eyes
Ooh, you're perfect
Judging from the way you make me high
Ooh, it's worth it
Perfect it's everything you are to me
Perfect and everything I am to you

Perfect, perfect
It's perfect, 'cause you're perfect
Perfect, perfect
You're worth it, 'cause you're perfect, perfect
