

Wait And See

Regine Velasquez

I know it hasn't been easy
Loving me and wondering what all the waiting's for
I feel so much for you, baby
All I need is a chance to get to know you more
Darling...
Oh yeah, yeah, yeah
Do-rot-do-rot yeah, hey
Are we sure what we're feeling
There are times when I'd swear my heart belongs to you
Oh, yeah
And you've told me the same thing
But only time will tell us if this love is true
Darling...
Wait and see-I hope you understand
I think we ought to Wait and See-time will let us
know if we were meant to be
Wait and See-love will see us through
And if your love is true you'll
Wait and See and say you'll stay with me
