

# Xanadu

Regine Velasquez

A place where nobody dared to go  
The love that we came to know  
They call it Xanadu  
It takes your breath  
And it'll leave you blind

And now, open your eyes and see  
What we have made is real  
We are in Xanadu  
A dream of it, we offer you

A million lights are dancing  
And there you are, a shooting star  
An everlasting world and you're here with me  
Eternally

Xanadu, Xanadu, now we are here  
In Xanadu, Xanadu  
Xanadu, Xanadu, now we are here  
In Xanadu

Xanadu, your neon lights will shine  
For you, Xanadu

The love, the echoes of long ago  
You needed the world to know  
They are in Xanadu  
With every breath you drift away

The dream that came through a million years  
That lived on through all the tears  
It came to Xanadu  
The dream you dream, well it will happen for you

A million lights are dancing and there you are  
A shooting star, an everlasting world  
And you're here with me  
Eternally

Xanadu, Xanadu, now we are here  
In Xanadu, Xanadu  
Xanadu, Xanadu, now we are here  
In Xanadu, Xanadu, Xanadu

Now that I'm here,  
Now that you're near in Xanadu  
Now that I'm here,  
Now that you're near in Xanadu, Xanadu
