Xanadu

Regine Velasquez

A place where nobody dared to go The love that we came to know They call it Xanadu It takes your breath And it'll leave you blind

And now, open your eyes and see What we have made is real We are in Xanadu A dream of it, we offer you

A million lights are dancing And there you are, a shooting star An everlasting world and you're here with me Eternally

Xanadu, Xanadu, now we are here In Xanadu, Xanadu Xanadu, Xanadu, now we are here In Xanadu

Xanadu, your neon lights will shine For you, Xanadu

The love, the echoes of long ago You needed the world to know They are in Xanadu With every breath you drift away

The dream that came through a million years That lived on through all the tears It came to Xanadu The dream you dream, well it will happen for you

A million lights are dancing and there you are A shooting star, an everlasting world And you're here with me Eternally

Xanadu, Xanadu, now we are here In Xanadu, Xanadu Xanadu, Xanadu, now we are here In Xanadu, Xanadu, Xanadu

Now that I'm here, Now that you're near in Xanadu Now that I'm here, Now that you're near in Xanadu, Xanadu
