

You Are My Song

Regine Velasquez

You are the song
Playing so softly in my heart
I reach for you, you seem so near yet so far
I hope and I pray
You'll be with me someday
I know down inside
You are mine and I'm your true love
Or am I dreaming

How can I each time I try you say goodbye
You were there
You look my way I touch the sky
We can share tomorrow and forever more
And I'll be there to love you so
You are my song

I know for sure that we were meant to fall in love
I look in your eyes
I know what you're thinking of
I try not to say
The words that might scare you away
I know down inside
You are mine and I'm your true love
Please no more dreaming

How can I each time I try you say goodbye
You were there
You look my way I touch the sky
We can share tomorrow and forever more
I'll be there to love you so
You are my song
