

I'm Sensible

Regurgitator

Did i say, did i mention
That im crazy and i suffer hypertension
I do not listen, i dont worry
Im the same as each and every single body
IM SENSIBLE IM SENSIBLE
I went to church , on every sunday
i joined the army driving tanks on every
Monday...I had a coolapse. a fucking
freakout i ran around inside my head
i hade a breakout and now
IM SENSIBLE IM SENSIBLE
I was a fuck up i was a screw up.
i was addicted to the thought
of getting messed up.
Now i know different
now i know better
clarity within the darkest
stormy weather. now
IM SENSIBLE IM SENSIBLE
