

## Bartender Song

Rehab

Bartender I really did it this time  
Broke my parole to have a good time  
When I got home it was 6 A.M.  
The door was locked so I kicked it in

She was tripping on the pills  
I think she was high on some pills  
She threw my shit out into the yard  
Then she called me a bum and slapped me real hard

And in my drunken stupor I did what I should've never done  
Now I'm sitting here  
Talking to you  
Drunk and on the run

I'm sitting at a bar on the inside  
Waiting for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fucking car  
And crashed that piece of shit, then stepped away

Ya know Moe I'll probably get ten years  
So just give me beers til they get here  
Yeah I know the sun is coming up  
And y'all are probably getting ready for closing up

But I'm trying to drown my soul  
I'm tired of this life on a dirt road  
Everything that I love is gone  
And I'm tired of hanging on

She got me sitting at a bar on the inside  
Waiting for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her fucking car  
And crashed that piece of shit and then stepped away

Guess it was meant to be  
Romance is misery  
So much for memories  
And now I'm headed to the penitentiary  
See me on TV  
The next cop series I am a danger  
I guess I should've did something about my anger  
But I'll never learn  
Real things I don't concern  
I pour kerosene on everything I love and watch it burn  
I know it's my fault  
But I wasn't happy it was over  
She threw a fist  
So I crashed that piece of shit Nova

And now I'm going back again  
Back to the pen to see my friends  
And when we all pile up that county van  
They'll ask me where I've been

I been at a bar on the inside  
Waiting for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fucking car  
And crashed that piece of shit and then stepped away

Nah na na na na na na na na na na na na na na  
Na na na na na na na na na na na na na na na
