

Intro (Wasn't So Bad)

Rehab

It's like the corners in the couch that you cannot see,
I got a fortune in memories
And I'm searching trying to set one free,
The one silver dollar that means everything.

It's like a '82 Regal on blocks in a field,
Dip it in some paint, drop it on some wheels.
And I'm searchin for a feeling I had,
Once upon a time when it wasn't so bad.

Ooooh, when it wasn't so bad.
Ooooh, when it wasn't so bad yeah.
Ooooh, ooooh, ooooh.
Ooooh, ooooh, ooooh.
