

Oh My

Rehab

They tried to tell me
I wouldn't listen
Found my way to the bottom, of the pile
I been walking down the side of this highway
Just had to do it my way
Held on to grudges
Carried that load around for a million miles
Tired of being alone and angry
Looks like the sky is about to cryyyy

Oh my goodness gracious sakes alive
When am I gonna change my ways
Oh my goodness gracious sakes alive
Lookin for a place to lay my head no shelter from the rain

They tried to tell me
But I was stubborn
Ain't no woman gonna cramp my style
I been walkin down the side of this highway
Don't care what they may say
I've lied to judges
Hard to do when their lookin dead at your file
Tired of being alone and angry
Looks like the sky is about to cryyyy

Oh my goodness gracious sakes alive
When am I gonna change my ways
Oh my goodness gracious sakes alive
Lookin for a place to lay my head no shelter from the rain

Blank stare on my face
I could sleep for days
They all may be crazy
Can't stop my hands from shaking
They feel on my skin
Dark clouds rollin in
The rain can't wash away where I've been
The rain can't wash away where I've been

Oh my goodness gracious sakes alive
When am I gonna change my ways
Oh my goodness gracious sakes alive
Lookin for a place to lay my head no shelter from the rain

Oh my goodness gracious sakes alive
When am I gonna change my ways
Oh my goodness gracious sakes alive
Lookin for a place to lay my head no shelter from the rain
