

No Easy Way To Say ...

Rehasher

Hey there, mister, can you hear me?
I've been away so long
But now I'm back and I think it's all gone wrong
Something's changing, nothing's new
People do just what they're supposed to
There's no easy way to say fuck you
But I'll try to find a way
'Cause some things are so hard to say
But I'll try to find a way
There's no easy way to say

Out of reach and out of hand
And I will never understand
Why people just don't care about each other
And I refuse to be
A part of your conspiracy

I won't do the things you do
I won't pretend everything's cool
No, I don't want to be a part of you

Just leave me
I'm fine here
My thoughts so far away from you
And there's nothing I can do
No, there's nothing I can do
And I've given up on trying to change you

There's no easy way to say fuck you
But I'll try to find a way
'Cause some things are so hard to say
