

Reach For The Sky

ReinXeed

I feel the wind blowing in my hair
In the north Atlantic
Standing before the head of the ship
Feels like I'm the king of the world

Raise my arms up high into the sky
Screaming for my life
I'm the king of the world

Reach for the sky where the birds fly so high
New life begins on the other side
Taking control of my life once again
Now and forever I will reach the sky

The red and the blue
And the holy white
Only a few days away
Taking my time
On the ship of dreams
Leaving everything behind

Now and forever reach the sky
If you do believe
In happiness don't cry

Reach for the sky
Where the birds fly so high
New life begins on the other side
