

# Bummin'

Relient K

You can have my life, I'm sad  
You can have the beat in my heart  
You can be my light, pizzazz  
You can be my spark in the dark  
But if I'm out there acting the bum I'll become one  
So no more frigid nights in the cold  
I would fall asleep in the lawn 'til the sun rose  
14 karat gold (gold)

You can have my life, I'm sad

Broken downtown down on Wedgewood & 8th  
And I'm bleeding like a heartache get ready to break  
And then on down the road comes another mistake  
Try hard as I might, I can't quite get it right  
I'm bummin'!  
I'm bummin'!

We can ride the bus all around, in this town, I'm on it  
We can fall asleep on the ground, by the sound, I want it  
Picture perfect, matted and framed with my name right on it  
14 karat gold (gold)

You can have my life, I'm sad

Broken downtown down on Wedgewood & 8th  
And I'm bleedin' like a heartache get ready to break  
And then on down the road comes another mistake  
Try hard as I might, I can't quite get it right  
I'm bummin'!

Broken downtown down on Wedgewood & 8th  
Yeah, I'm bleedin' like a heartache get ready to break  
I've been burnin' in the sun and I'm barely awake  
Try hard as I might, I can't quite get it right  
I'm bummin'!  
I'm bummin'!

I can't afford this bummin', no [x4]  
So take this life you gave me  
Save me from my vices, oh  
I can't afford this bummin', no  
I'm in a crisis, oh  
So take this life you gave me  
Save me from my vices  
I'm bummin'!  
I'm bummin'!

Broken downtown down on Wedgewood & 8th  
And I'm bleedin' like a heartache get ready to break  
And then on down the road comes another mistake  
Try hard as I might, I can't quite get it right  
I'm bummin'!  
(I can't afford this afford this bummin', no  
I'm in a crisis, oh)  
I'm bummin'!  
(So take this life you gave me

Save me from my vices)
