

Gloria

Relient K

Woke up alone with ya
I never know with ya
You're keepin' me in the dark
You got your fast moves and
You got your one twos and
I can never let down my guard

You say
You could never do better than me
Hey Gloria
What's come over ya
Why don't you teach me how to

Why don't you teach me how to love
Why don't you show me what's up
I got the shakes and you're my drug
Why don't you teach me how to
Why don't you teach me how to fight
Cause when you're wrong you're always right
You got a lot of nerve, I got a lot to learn
Why don't you teach me how to
Why don't you teach me how to love

Tellin' lies
Swattin' kisses like they're flies
Doin' everything I can to survive
Keep me in the cold
Rakin' me over the coals
Either freeze me or burn me alive

You say
You could never do better than me
Hey Gloria
I'm kinda sore with ya
Why don't you teach me how to

Why don't you teach me how to love
Why don't you show me what's up
I got the shakes and you're my drug
Why don't you teach me how to
Why don't you teach me how to fight
Cause when you're wrong you're always right
You got a lot of nerve, I got a lot to learn
Why don't you teach me how to
Why don't you teach me how to love

I guess it's love flower pedals everywhere
I guess it's love running fingers through your hair
I guess it's love when you tell me what to wear
I guess it's love when you're going through my phone
I guess it's love when I can't go out alone
I guess it's love if you've got me feelin' low
Why don't you teach me how to
Why don't you show me how to
Why don't you teach me how to love

Why don't you teach me how to love

Why don't you show me what's up
I got the shakes and you're my drug
Why don't you teach me how to
Why don't you teach me how to fight
Cause when you're wrong you're always right
You got a lot of nerve, I got a lot to learn
Why don't you show me how to
Why don't you teach me how to
Why don't you show me how to
Why don't you teach me how to love
