

# If I Could Take You Home

Relient K

I hear the words that you're telling me  
Taking about all this tragedy  
You've got everything  
When you're close to me

You're all around  
You're surrounding me  
Intoxicated by the air you breathe  
You've got everything  
With me  
Oh oh

Like broken pieces of a shattered dream  
Or like a movie with a missing scene  
You'd like you believe  
I'm nothing special

But if I could take you home  
If I could take you home  
If I could take you home  
I'll be all that you need

The trail of broken hearts you left behind  
Should send me running girl  
But I don't mind  
It's not up to me  
Where you sleep  
oh oh

But you're so good at making casualties  
Inflicting pain rather casually  
It's easy to see  
You'd do it to me  
Oh oh

Like broken pieces of a shattered dream  
Or like a movie with a missing scene  
You'd like to believe  
I'm nothing special

But if I could take you home  
If I could take you home  
If I could take you home  
I'll be all that you need

If I could take you home (Oh whoa oh)  
If I could take you home (Oh whoa oh)  
If I could take you home (Oh whoa oh)  
Oh whoa oh  
You think I'm nothing special  
But if I could take you home (Oh whoa oh)

Oh whoa oh  
Oh whoa oh  
Oh whoa oh  
Oh whoa oh

If I could take you home  
If I could take it slow (Oh whoa oh)  
If I could let you know  
If I could make you see  
That I'll be all that you need (Oh whoa oh)  
Oh whoa oh

You think I'm nothing special  
But If I could take you home  
If I could take you home  
If I could take you home  
I'll be all that you need

If I could take you home (Oh whoa oh)  
If I could take it slow (Oh whoa oh)  
If I could let you know (Oh whoa oh)  
Oh whoa oh  
You think I'm nothing special  
But If I could take you home (Oh whoa oh)  
Oh whoa oh  
I'll be all that you need (Oh whoa oh)
