

## (If You Want It)

Relient K

I can't keep a straight face and say this is not the end  
Not if you want it its upon us and I wanna say it's sinking in  
If I was hasty maybe I was rushed along  
I won't move into little boxes and then not get the itch to move on

So think real slow  
Don't forget that yes is yes and no is no  
Melting prints of grass and snow  
Means I may forget the way to get back home  
Cause this is the end if you want it  
This is the end

You're not the first thing in my life I've loved and lost  
Yeah I've thought worse things that I might be less inclined to  
merely just shrug off

You'll take me home  
Like my family did my father did I know  
You'll think real slow  
But don't forget the speed that I can go away  
Cause this is the end if you want it  
Yeah this is the end

I've been convincing myself that I'm worthwhile  
Cause I'm worth what I'll convince myself to be

I met the devil and I stared her in the eyes  
Her hair had scales like silver serpents  
I a statue, stood there mesmerized

I took the fire escape and made it out alive  
Yeah I still burn from time to time but I've a healing hand against my side

Blisters on my feet I crawled back home  
Frozen from the sleet burned sand and stones  
Nourished back to life by life alone  
With one shake of the mane regain the throne
