

## More than Useless

Relient K

I feel like, I would like  
To be somewhere else doing something that matters  
And I'll admit here, while I sit here  
My mind wastes away and my doubts start to gather

Whats the purpose? It feels worthless  
So unwanted like I've lost all my value  
I can't find it, not in the least bit  
and I'm just scared, so scared that I'll fail you

And sometimes I think that I'm not any good at all  
And sometimes I wonder why, why I'm even here at all  
But then you assure me

I'm a little more than useless  
And when I think that I can't do this  
You promise me that I'll get through this  
And do something right  
Do something right for once

So I say if I can't, do something significant  
I'll opt to leave most opportunities wasted  
And nothing trivial, that life could give me will  
Measure up to what might have replaced it

Too late look, my date book  
Is packed full of days that were empty and now gone  
And I bet, that regret  
Will prove to get me to improve in the long run

And sometimes I think that I'm not any good at all  
And sometimes I wonder why, why I'm even here at all  
But then you assure me

I'm a little more than useless  
And when I think that I can't do this  
You promise me that I'll get through this  
And do something right  
Do something right for once

I'm a little more than useless  
And I never knew I knew this  
Was gonna the day, gonna be the day  
That I would do something right  
Do something right for once

I notice, I know this  
Week is a symbol of how I use my time  
Resent it, I spent it  
Convincing myself the world's doing just fine  
Without me  
Doing anything of any consequence  
Without me  
Showing any sign of ever making sense  
Of my time , it's my life  
And my right, to use it like I should  
Like he would, for the good

Of everything that I would ever know

I'm a little more than useless  
When I think that I can't do this  
You promise me that I'll get through this  
And do something right  
Do something right for once

I'm a little more than useless  
And I never knew I knew this  
Was gonna the day, gonna be the day  
That I would do something right  
Do something right for once
