

# My Girl's Ex-Boyfriend

Relient K

When he was seeing her  
You could see he had his doubts  
And now he's missing her  
Because he knows he's missing out  
Now it's haunting him  
The memories like a ghost  
He's so terrified  
Cause no one else even comes close

He's a guy that you should feel sorry for  
He had the world but he thought that he wanted more  
I owe it all to the mistake he made back then  
I owe it all to my girl's ex-boyfriend

So then, along comes me,  
This undeserving mess (undeserving mess)  
Who would believe my life  
Would be so blessed (life would be so blessed)  
Two years ago  
He left all that debris (left all that debris)  
Who would of known  
He would leave everything I need

He's a guy that you should feel sorry for  
He had the world but he thought that he wanted more  
I owe it all to the mistake he made back then  
I owe it all to my girl's ex-boyfriend

If it wasn't for him  
I would still be searching  
If it wasn't for him  
I wouldn't know my best friend  
If it wasn't for him  
He would be able to see  
If it wasn't for him  
He would be as happy as me

When she and I settle down you can bet  
That he is going to have to settle for less  
He's someone that I would hate to be  
I got the girl and he's left with just the memory.

He's a guy that you should feel sorry for  
He had the world but he thought that he wanted more  
I owe it all to the mistake he made back then  
I owe it all to my girl's ex-boyfriend

If it wasn't for him  
I would still be searching  
If it wasn't for him  
I wouldn't know my best friend  
If it wasn't for him  
He would be able to see  
If it wasn't for him  
He would be as happy as me
