

## Nancy Drew

Relient K

I got this thing for Nancy Drew.  
Her hair is blonde her eyes are blue.  
Yeah, I think that I'm falling in love.  
I wish she'd say she'd marry me, and why she won't is a mystery  
.  
Yeah, I know its me she thinks of.  
Nancy Drew, I love you (Yes I do).  
One time these criminals with their guns  
they thought it would be fun to try and kill my Nancy Drew.  
I jumped out and saved her life, then asked her to be my wife.  
She said, "No, I'll never marry you!"  
It's a really big mystery.  
I'll put the Hardy Boys on the case.  
Cause no time in history has someone denied my face.
