Relient K

I can't find no inspiration
Nothing that keeps me up at night
I wanna give you satisfaction
So you don't say what's wrong or right
Someone please tell me
Just what is not stickin'

Listen to the sound of the beat not stoppin'
No reaction. No reaction.
Lookin' at the chart but nothin's toppin'
No reaction. No reaction.
Listen to the sound of the reggae droppin'
No reaction. No reaction.
Lookin' at the Matts and the Johns not talkin'
No reaction. No reaction.
