

One Headlight

Relient K

That's when they say I lost my only friend Well they said she died
easy of a broken heart disease As I listened through the cemetery trees

I seen the sun comin' up at the funeral at dawn The long broken
arm of human law Now it always seemed such a waste She always
had a pretty face So I wondered how she hung around this place

Hey, come on try a little Nothing is forever There's got to be
something better than In the middle But me & Cinderella We put
it all together We can drive it home With one headlight

She said it's cold It feels like Independence Day And I can't break
away from this parade But there's got to be an opening Somewhere
here in front of me Through this maze of ugliness and greed And I
seen the sun up ahead At the county line bridge Sayin' all there's
good and nothingness is dead We'll run until she's out of breath
She ran until there's nothin' left She hit the end-it's just her
window ledge

Hey, come on try a little Nothing is forever There's got to be
something better than In the middle But me & Cinderella We put
it all together We can drive it home With one headlight

Well this place is old It feels just like a beat up truck I turn
the engine, but the engine doesn't turn Well it smells of cheap
wine & cigarettes This place is always such a mess Sometimes
I think I'd like to watch it burn I'm so alone, and I feel just
like somebody else Man, I ain't changed, but I know I ain't the
same But somewhere here in between the city walls of dyin' dreams
I think her death it must be killin' me
