

# Santa Claus Is Thumbing to Town

Relient K

'Twas the night before Christmas  
And up at the North Pole  
Everybody's going crazy  
Everything's out of control

The toy shop is on fire  
The toys melting on the shelves  
And you can hear Mrs. Clause screaming  
"I warned you never trust those elves!"

Unless something drastic happens fast  
Say hello to the ghost of Christmas past  
Because, Rudolph's puking boughs of holly  
Old Saint Nick ain't all that jolly

And the sleigh is in the shop  
'Cause it's broken down  
But Christmas won't stop

'Cause Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh

Very much to his disliking  
Santa spent all night hitch-hiking  
With a sign that reads, 'Ho, ho slow down'  
Santa Clause is thumbing to town

So Kris Kringle started walkin'  
Through the snow without his sleigh  
Shed a tear for every stocking  
That would be empty Christmas day

Unless something drastic happens fast  
Say hello to the ghost of Christmas past  
Because, Rudolph's puking boughs of holly  
Old Saint Nick ain't all that jolly

And the sleigh is in the shop  
'Cause it's broken down  
But Christmas won't stop

'Cause Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh  
Santa Clause is thumbing to town  
Uh, oh

Very much to his disliking

Santa spent all night hitch-hiking  
With a sign that reads, 'Ho, ho slow down'
