

The Lining Is Silver

Relient K

I found my new black shoes
While cleaning out the bones left in my closet
They were there with the bad excuse
Bon Voyage

And I found a back up plan
I'm grateful that I didn't have to use it
But it's made of real good friends
Bon Voyage

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden

Well I found a list of flaw
That I saw in myself and other people
And I threw it away because
Bon Voyage

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden
Yeah we're golden
Oh

When it all falls apart and you can't see
The forest for the cemeteries
Isn't it nice to know
Isn't it nice to know

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden
Oh

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden
Yeah we're golden oh

I found a love in me
I always somehow knew that it existed
It just needed to be set free
Bon Voyage

Isn't it nice to know (3x)
