

Wake Up Call

Relient K

"It's 3p.m." she said, I said
"You're crazy"
She said "get out of bed, why are you so lazy? Why waste the day away?"
I said, "Because I'm tired"
"Wendy's called by the way, they told me that you're fired."

Woah oh oh, Woah oh oh
So wreckless for all these years
Woah oh oh, woah oh oh
I crash into a wall
Woah oh oh, Woah oh oh
there's a ringing in my ears
Woah oh oh, Woah oh oh
and it's my wake up call
Jesus gave me a wake up call
oh
take this world with a grain of salt
Jesus gave me a wake up call

"It's 3 a.m." she said, "Who are you, Matchbox 20?"
She said, "Are you getting rest?"
Sarcastic, I said "Plenty"
"Don't be a hypocrit."
I asked "What are you saying?"
When you praise God, do you meant it?
Are you sleeping when you're praying?

Woah oh oh, Woah oh oh
so wreckless for all these years
Woah oh oh, Woah oh oh
I crash into a wall
Woah oh oh, Woah oh oh
There's a ringing in my ears
and it's my wake up call
God gave me a wake up call
Take this world with a grain of salt
Jesus gave me a wake up call
