

Follow Me

Remedy Drive

Why do some stars have to fall?
Why do some hearts have to break?
Well today your only question for me is
Can we go outside and play?

Why do some ears miss the call?
Is this free will or are we pawns of fate?
But today your only question for me is
Can I stay up late?

And son I don't have all the answers
And I don't want to let you down
And I all know is that I'm running towards something I
can't see
And son I hope you follow me

Why is the moon turning red?
Why is there war? Why is there hatred?
But tonight all your asking me is one more story before
bed

And son I don't have all the answers
And I don't want to let you down
And I all I know is that I'm running towards something I
can't see
And son I hope you follow me

Keep on running child
Keep on running
Keep on running till the race is done x4

Son I don't have all the answers
And I don't want to let you down
And I all know is that I'm running towards something I
can't see
And son I hope you follow me

Keep on running child
Keep on running
Keep on running till the race is done x 2
