

## All That Glitters Is...

### Remembering Never

These are the days  
The days we speak with serpent tongues  
These days we fall through the ice and drown  
As you have done this time  
The water fills your lungs and you suffocate (once more)  
Suffocate tragically  
Bleed for me  
There is no forgiveness  
There is no second chance  
Destroy my opinion of you and your self-worth  
With just one single word (no)
