

# Rock 'n' Roll

Remi Nicole

They said "you're not normal,  
why don't you sing R&B?"  
I say "I've got no rhythm and I got no blues,  
I'm as happy as can be"  
They said "how can you not  
Bop to hip hop?"  
I said "I most certainly do,  
Did you not see me dancing the other night  
Like the girls on Channel U?"

Yeah  
I can wind down low  
Be like the girls in the videos  
But for me that's much too slow  
Because I prefer rock and roll  
I say, yeah  
I can wind down low  
Dance like the girls in the videos  
But for me that's a no-no  
'Cause I prefer rock and roll

They say "why d'ya wear a shirt and tie?  
Now that's a bit bizarre"  
I said I like to look good when I go on stage  
Strumming my guitar  
I like to sing my songs about real life things  
Like good times and romance  
And I prefer to do it in my skinny jeans  
Than miniscule hot pants  
( 'cause this baby got no back)

Yeah  
I can wind down low  
Be like the girls in the videos  
But for me that's much too slow  
Because I prefer rock and roll  
I say, yeah  
I can wind down low  
Dance like the girls in the videos  
But for me that's a no-no  
'Cause I prefer rock and roll

Why can't people just let me be?  
I'm only putting out what comes best to me  
Some people get their kicks from other things  
But I get mine with wood and strings

Yeah  
I can wind down low  
Be like the girls in the videos  
But for me that's much too slow  
Because I prefer rock and roll  
I say, yeah  
I can wind down low  
Dance like the girls in the videos  
But for me that's a no-no  
'Cause I prefer rock and roll

Yeah  
I can wind down low  
Be like the girls in the videos  
But for me that's much too slow  
Because I prefer rock and roll  
I say, yeah  
I can wind down low  
Dance like the girls in the videos  
But for me that's a no-no
