I'm fresh dressed like a million bucks
Got the Louis Vuitton goggles
Emilio Pucci pumps with the Gucci Bra 36C cup
Both middle fingers up cause I don't give two fucks
And I'm fresh, fresh
Yes don't get mad
Bow-Legged stance crazy
Look at the swagg
Look at the bag
And its official look at the tags
And I aint gay but goddamn my bitches is bad
And we fresh
You home depressed, you always stressed
You try to get fly but you don't never be fresh
I get compliments like Ma you fresh
And I'm just taking out the garbage damn I aint even dressed

[Chorus:]

And I'm fresh, fresh, fresh

On the phone, with my shorty talking to him all fresh
I don't re-do or re-use

Looking in the rear view like "Oh, I'm fresh"
Yes, I'm so..
