

When I See Her

Remy Ma

January to December 12 months of the year

60 seconds in a min it's a problem when I see her

7 days of the week alternate sides of the street I'm a drag that bitch like the motha fuckin beat

That's word to me I'm a smack her when I see her you the type to be like I'm a ask her when I see her

Still be scared to death you walk pass me when you see her

See I treat her like a check and straight cash her when I see her

I'm a leave her when I see her, casadea when I see her

It's me bitches yea swiss beata when I see her

See it's on when I see her, she a gonna when I see her

Word is bond I'm on her, I'm a stomp her when I see her

I'm a put hands on her, I'm a snatch her when I see her

Like my lil' cousin pat say trash her when I see her

These broads is garbage I be laughing when I see her

They be copin pleads like "girl what happened?" when I see her

I don't question her when I see her, I address her when I see her

Wash her up and permanently press her when I see her

Apply pressure when I see her, disrespect her when I see her

This is chess but I'm a chin check her when I see her

I don't give a fuck yup! I'm a duff her when I see her

I swear to my motha I'm a snuff her when I see her

It's nothing when I see her, No it's something when I see her

That bitch best bets to start runing when I see her

I DARE HER TO TALK BACK AND START FRONTIN WHEN I SEE HER

I just might snap and start grillin when I see her

Now I'm a step to her like a grown women when I see her

Nahh I'm lien ya'll already know I'm dumbin when I see her

Yeahh I'm comein when I see her

See it's over when I see her

So don't act like I ain't already told ya'll when I see her

I'm a ethanal like Nas did Hova when I see her, and then come back like H.O.V did and take over when I see her

Ya'll could call me Diddy cause I ain't stopin when I see her

I ain't lil' mama put my lip gloss popin when I see her

She ain't rockin when I see her, cause I'm rollin when I see her

I'm a have her whole fuckin face swollin when I see her READY!
