

Hey, are you lonely?
Has summer gone so slowly?
We found the ground
And that damage was done
It's cold as you fade into the sun
Where'd you go? To me?

But you're alive!
Well, it's only
Fallen frames, they told me
You stand out, it's so loud
And so what if it is?
It's cold as you face into the wind
Where'd it go?
tonight the sun shall see its light

So what if you catch me,
Where would we land?
In somebody's life
For taking his hands
Sing to me hope as she's
Thrown on the sand
All of your work
Is rated again
Where to go ?

And you were somehow
the rain thing could allow
I tried but it's all wrong
You're so strong
And this life and work
And choice took far too long
Where'd it go?
Tonight the sun shall see its light

So what if you catch me,
Where would we land?
In somebody's life
For taking his hands
Sing to me hope as she's
Thrown on the sand
All of your work
Is rated again
Where to go ?

When I was sure you'd follow through
My world was turned to blue
When you'd hide your songs would die
So I'd hide yours with mine
And all my words were bound to fail
But I know you won't fail
See, I can tell
