

Hey, are you lonely?  
Has summer gone so slowly?  
We found the ground  
And that damage was done  
It's cold as you fade into the sun  
Where'd you go? To me?

But you're alive!  
Well, it's only  
Fallen frames, they told me  
You stand out, it's so loud  
And so what if it is?  
It's cold as you face into the wind  
Where'd it go?  
tonight the sun shall see its light

So what if you catch me,  
Where would we land?  
In somebody's life  
For taking his hands  
Sing to me hope as she's  
Thrown on the sand  
All of your work  
Is rated again  
Where to go ?

And you were somehow  
the rain thing could allow  
I tried but it's all wrong  
You're so strong  
And this life and work  
And choice took far too long  
Where'd it go?  
Tonight the sun shall see its light

So what if you catch me,  
Where would we land?  
In somebody's life  
For taking his hands  
Sing to me hope as she's  
Thrown on the sand  
All of your work  
Is rated again  
Where to go ?

When I was sure you'd follow through  
My world was turned to blue  
When you'd hide your songs would die  
So I'd hide yours with mine  
And all my words were bound to fail  
But I know you won't fail  
See, I can tell
