I think of you

Renaissance

love you like a stream flows restless to the sea See you like the mist touches clouds, touches me See you in the stars wherever you may be I think of you, think of you

If ever you're near and have some time to spend I love you every way, love you like a friend And then when you leave a whisper in my mind I think of you, think of you

When I see a bird fly over to the sea And the sun in the sky is shining warm and free And when I feel the wind blow cool over me I think of you, think of you
