

## In Another Life

Renaissance

If my loving you  
Could change the river's flow  
I would not let you drift away from me  
I'd never let go  
I want to be by your side  
But the water's too deep and wide

In another life  
In another place  
I have held you close  
I have known your grace  
In another world  
In another time  
You'll be mine  
You'll be mine

If I touched you now  
I'd only lose my mind  
In a cruel world we live in  
One life at a time  
I don't know where or when  
But we'll pass this way again
