

The Angels Cry

Renaissance

I always knew we were meant to be lovers
I always knew we were made for each other
I always knew there was no one else could make me feel this way
But when you go away

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye

The summer sun always shines when you're with me
I feel its warmth in the love that you give me
I feel your touch and I know that's where I always want to stay
But when you go away

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye

When we're apart
The rain, it falls
The wind, it calls
For you, my love

Right from the start
When our love was young
The rising sun
The only one was you, my love

I always knew we were meant to be lovers
I always knew we were made for each other
I always knew there was no one else could make me feel this way
But when you go away

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye
