

# Wishin' On A Star

Renaissance

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow praying never comes  
And I'm wishing on all the loving we've never done

I never thought I'd see  
A time when you would be  
So far away from home  
So far away from me

Just think of all the moments that we'd spent  
I just can't let you go from me, you were meant  
And I didn't mean to hurt you but I know  
That in the game of love you reap what you sow

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together whether or never

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, whether or never

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
And I wish on all the people we've ever been  
And I'm hoping on all the days to come and days to go  
And I'm hoping on days of loving you so

I'm wishing on a star  
I'm wishing on all the rainbows that I see  
I'm wishing on a star  
Star, star
