

You Know I Like It

Renaissance

That look in your eye
The touch of your hand
Oooh you know I like it

Hot summer nights
Oooh the warmth of your kiss
And you know I like it

Ooo-oooh you do something to me
Take me hold me la-la-la-love me
Touch me ooo-oooh every little thing I want you

Love me tonight
Hold me tight
Oooh you know I like it

The things that you do
I've got to have you
And you know I like it

Ooo-oooh you do something to me
Take me hold me la-la-la-love me
Touch me ooo-oooh every little thing I want you

Ooo-oooh you do something to me
Ooo-oooh you do something to me
Ooo-oooh you do something to me

Take me hold me la-la-la-love me
Touch me ooo-oooh every little thing I want you
Touch me ooo-oooh every little thing I want you

Let's say the words
I want to hear
And you know I like it

Hot summer nights
Ooo-ooo-ooo-oooh you know I like it

The warmth of your kiss
Ooo-ooo-ooo-oooh you know I like it

Ooo-ooo-ooo-oooh oh you know I like it
Lifetime you know I like it
