

If Tomorrow Never Comes

Renato Russo

Sometimes late at night
I lie awake and watch him sleeping
He's lost in peaceful dreams
So I turn out the lights and lay there in the dark
And the thought crosses my mind
If I never wake up in the morning
Would he ever doubt the way I feel
About him in my heart

If tomorrow never comes
Will he know how much I loved him
Did I try in every way to show him every day
That he's my only one
And if my time on earth were through
And he must face the world without me
Is the love I gave him in the past
Gonna be enough to last
If tomorrow never comes

'Cause I've lost loved ones in my life
Who never knew how much I loved them
Now I live with the regret
That my true feelings for them
Never were revealed
So I made a promise to myself
To say each day how much he means to me
And avoid the circumstance
Where there's no second chance to tell him
How I feel

So tell that someone that you love
Just what you're thinking of
If tomorrow never comes
