

Vamos

Renato Zero

Someone tells me "you're nasty boy"
but I don't believe a nasty voice
and I'll go my way the only way
Vamos, vamos
When I'm all alone feel so down
course I know that luck ain't to be found
but I'll go my way the only way
Vamos, vamos
Voices tellin' me they'll change your fate
they promise me they'll give me love
I can't believe it
and shout back you liar
ask what am I livin' for
Once I tried to listen to that voice
and I didn't get a second choice
now I close my eyes and shut my ears
Vamos, vamos
