Boldly I Approach

Rend Collective Experiment

By grace alone somehow I stand Where even angels fear to tread Invited by redeeming love Before the throne of God above He pulls me close with nail-scarred hands Into His everlasting arms

When condemnation grips my heart And Satan tempts me to despair I hear the voice that scatters fear The Great I Am the Lord is here Oh praise the One who fights for me And shields my soul eternally

Boldly I approach Your throne Blameless now I'm running home By Your blood I come Welcomed as Your own Into the arms of majesty

Behold the bright and risen Son More beauty than this world has known I'm face to face with Love Himself His perfect spotless righteousness A thousand years, a thousand tongues Are not enough to sing His praise

Boldly I approach Your throne Blameless now I'm running home By Your blood I come Welcomed as Your own Into the arms of majesty (2x)

This is the art of celebration Knowing we're free from condemnation Oh praise the One, praise the One Who made an end to all my sin (2x)

Boldly I approach Your throne Blameless now I'm running home By Your blood I come Welcomed as Your own Into the arms of majesty
