

## Second Chance

### Rend Collective Experiment

My future hangs on this  
You made preciousness from dust  
Please don't stop creating me

Your blood offers the chance  
To rewind to innocence  
Reborn, perfect as a child

Oh Your cross, it changes everything  
There my world begins again with You  
Oh Your cross, it's where my hope restarts  
A second chance is Heaven's heart

When sin and ugliness  
Collide with redemption's kiss  
Beauty awakens by romance

Always inside this mess  
I have found forgiveness  
Mercy infinite as You

Oh Your cross, it changes everything  
There my world begins again with You  
Oh Your cross, it's where my hope restarts  
A second chance is Heaven's heart

Countless second chances  
We've been given at the cross  
Countless second chances  
We've been given at the cross

Fragments of brokenness  
Salvaged by the art of grace  
You craft life from our mistakes

Black skies of my regrets  
Outshone by this kindness  
New life dawns over my soul

Oh Your cross, it changes everything  
There my world begins again with You  
Oh Your cross, it's where my hope restarts  
A second chance is Heaven's heart

Oh Your cross, it changes everything  
There my world begins again with You  
Oh Your cross, it's where my hope restarts  
A second chance is Heaven's heart

Countless second chances  
We've been given at the cross  
Countless second chances  
We've been given at the cross
