

Stars Fell On Alabama

Renee Olstead

We lived our little drama
We kissed in a field of white
And stars fell on Alabama
Last night

I can't forget the glamor
Your eyes held a tender light
And stars fell on Alabama
Last night

I never planned in my imagination
A situation so heavenly
A fairy land where no one else could enter
And in the center, you and me, dear

My heart beats just like a hammer
My arms wound around you tight
And the stars fell on Alabama
Last night

I never planned in my imagination
A situation so heavenly
A fairy land where no one else could enter
And in the center, you and me, dear

My heart beats like a hammer
Your arms wound around me tight
And stars fell on Alabama
Oh, they fell last night

Oh yeah, my arm's around you
Yeah, the stars were on you last night
