

Thanks For The Boogie Ride

Renee Olstead

Thanks for the boogie ride
I'm more the gratified
I'm really satisfied

Which only goes to prove
You don't know until you glide
Into the boogie ride
How quickly you will glide out of the world

I like riding in jalopies
Away from motorcycle copies
I like my riding just like you do
Along the Chattanooga, choo choo

So let me thank you, babe
Thank you for the boogie ride
It really was great

Music played solid senders
Can start me off on dancing benders
When I'm jilled up with me soogie
I love to ride with the boogie

So let me thank you, babe
Thank you for the boogie ride
It really was great

If you boogie ride
Oh yeah, oh yeah
If you boogie ride
Oh yeah, oh yeah
Dig this and decided to

Thank you, thank you
Thanks for the boogie ride
Thank you, thank you
Thanks for the boogie ride

Thank you, thank you
Thanks for the boogie ride
Thanks for the boogie ride
Thanks for the boogie ride
Yeah oh yeah for the boogie
For the boogie ride, it's out of this world
