

# Set My Heart On Fire

Renegade Five

Take my hand  
I will make you understand  
I'm in vain  
Driving on a different lane

I never said the truth  
About the things I did  
But I'm in love for sure  
All I want to have is you  
Baby, I am here to guide you  
You set my heart on fire

Don't want to live my life  
Alone without you  
I fear this feeling inside me  
It's so hard for me  
I'm not as strong as you think  
I see you everywhere I go

Yes I know  
I wasn't really good enough  
I went away  
Knowing you were not okay

I never said the truth  
About the things I did  
But I'm in love for sure  
All I want to have is you  
Baby, I am here to guide you  
You set my heart on fire

Don't want to live my life  
Alone without you  
I fear this feeling inside me  
It's so hard for me  
I'm not as strong as you think  
I see you everywhere I go

I'm waiting for a chance  
I hope you'll understand  
Life has not been easy  
For someone like me

Baby, I am here to guide you  
You set my heart on fire

Don't want to live my life  
Alone without you  
I fear this feeling inside me  
It's so hard for me  
I'm not as strong as you think  
I see you everywhere I go
