

Stand For Your Rights

Renegade Five

Stand for your rights
Stand for your rights
Stand for your rights

You're so divine
Don't need to die
You got the skill to break it
You stay with us
We're strong enough
To move a nation

I'll prove to you
What we can do
Cause we are here to change it
To make the day
A place for us
It's all that we should do

It's all in the game
No one to blame
It's in your eyes
When you're looking at me

Stand for your rights
Make sure your life
Is working all right
It's up to you
What you can do
It's in your hands
Don't have to prove it
Now stand for your rights

We start to run
I feel the blood
Out in the veins much faster
I look at you,
You look at me
We started laughing

We'll rule the streets
We'll conquer all
Nothing in sight can stop us
Our enemies
They better hide
I've never felt so good

It's all in the game
No one to blame
It's in your eyes
When you're looking at me

Stand for your rights
Make sure your life
Is working all right
It's up to you
What you can do
It's in your hands

Don't have to prove it
Now stand for your rights

Fight for your life
You never have to pay the price
Bring out whatever that's in your mind
It helps you get to sleep at night

Stand for your rights
Make sure your life
Is working all right
It's up to you
What you can do
It's in your hands
Don't have to prove it
Now stand for your rights

Stand for your rights
Make sure your life
Is working all right
It's up to you
What you can do
It's in your hands
Don't have to prove it
Now stand for your rights

Stand for your rights
Stand for your rights
Stand for your rights
Stand for your rights
