

Don't Let Him Go

REO Speedwagon

So you figure that you've got him all figured out
He's a sweet talkin' stud
Who can melt a girl's heart with his pout
He's the kind of lover that the ladies dream about

He's got plenty of cash
He's got plenty of friends
He drives women wild
Then he drives off in a Mercedes-Benz
He's got a long wick with a flame at both ends
He's hot

But don't let him go
Just give him a chance to grow
Take it easy, take it slow
And don't let him go

He makes you so angry
He makes you so sore
The weight may be worth it
But how can you wait anymore
When you're wonderin what you're waitin' for
Baby I don't know

But don't let him go
He just needs a chance to grow
Take it easy, take it slow
And don't let him go
Don't let him go
