

## Let's Be-Bop

REO Speedwagon

Suddenly it happened,  
here we are with all this glory  
We never thought for a minute,  
that we were writin a story  
We took our chances,  
somehow we held it together  
And now I feel there is justice,  
I always new there was

I love the warmth of the spotlight  
I need the sound of the people screamin'  
Here we are to bring down the ceiling  
Wanna give you a real good feelin'  
Later on when it's over  
We will think of you and remember  
You're the ones who gave us the glory  
Just want to tell you that

It's great to, to be with you  
Been a long time but we love you  
Don't stop, let's be-bop tonight

Do you remember the last time?  
We remember the last time  
Everything was cool,  
we had a celebration, yeah  
We had a celebration,  
let's bring the feeling back again  
Come on closer,  
just got to tell ya that
