Live Every Moment

REO Speedwagon

Live every moment
Love every day
'Cause before you know it
Your precious time slips away

Live every moment
Love every day
'Cause if you don't you might
Just throw your love away

I walked for seven miles this mornin' Footprints in the sand Washed away without a warning When the water hit the land

But I will walk on 'Til I can no longer stand I'll take you by the hand

And we'll live every moment Love every day 'Cause before you know it Your precious time slips away

There's water in the wind tonight There's a chill in the air It's coolin' down my skin tonight Soakin' through your hair

There's warmth enough within tonight For both of us to share We can take it anywhere

And we'll live every moment Love every day 'Cause if you don't you might Just throw your love away

Sometimes I wish we could Take a trip far away Leave all this trouble and heartache And pain for another day

I will search for that place
But 'til I find it all I can say

Is live every moment And love every day

Oooh, sometimes I wish we could Take a trip far away Leave all this trouble and heartache And pain for another day

I will search for that place
But 'til I find it all I can say

Is live every moment
Love every day
'Cause before you know it
Your precious time slips away

Live every moment
Love every day
'Cause if you don't you might
Just throw your love away

You might
Just throw your love away
You might
Just throw your love away

You got to live every moment You got to, you got to You got to, you got to You got to live every moment
