

Lost in a Dream

REO Speedwagon

Lost, lost in a dream (it's a dream)
And I think, it's some evil scheme
They say, that I don't feel, what I feel
But I know, that this ain't no game

What am I supposed to lie?
That ain't what I'm saying
You're telling me that I could be
A little insane
I tell myself to pull myself
Together again
'cause i
Ain't been the same
